COMMENTS FROM THE PUBLIC:

- **Debra Larke**- Running for County Council District 2 and came to offer services to the community and would love to assist with golf cart for recreation department.
- **David Alexander**-open to possibility as recreation/youth sports director. Would like to have more interests than baseball; football; softball; basketball and better programs for the summer. Also, would like to have old Civic Center as youth/recreation headquarters in hopes that it may be used as a tutoring center. Council advised that the old building was in need of a new A/C unit and it was determined that the Streets/Roads department would be using the building. Christ Central is open the 2nd and 4th Friday from 10-11am for anyone who would like to receive pantry foods, but they will have to have photo identification and social security card.
- **Jamar Green & Kevin Ingram**-both are interested in how they may be able to assist the recreation/youth sports department because they have been volunteering consistently through the baseball program.

COMMENTS FROM MAYOR & COUNCIL

- **Sammie McDuffie III**-Streets/Roads dug a hole in Kathy Palma's yard (410 Georgia Avenue) in hopes of finding tap. That didn't occur because tap is inaccessible due to cost. The City needs to call Carolina Tap & Bore to follow-up on quote given in May. Grass needs to be cut at field. CSRA Little League had an awesome season and won respect of other teams. Fun day will be AllStar game day and there will be a plaque made for City Hall. Baseball program is looking to groom team for television play-offs.
- **Terence Williams**-Questioned if lot on Shady Lane will be cleaned; meaning all vegetation being removed. Roger Leduc, City Administrator, answered that the lots are cleaned, but nothing outside the scope of what was included in contract, ie trees, overgrown, brush, and structures.
- **Chief Parks**- Officer Hugh Ray was instrumental in capture off Dry Branch Road. Office is currently investigating case from Bi-Lo
