COMMENTS FROM THE PUBLIC

*Roy Shaw- Private Wells-Spoke about the 2008 change of ordinance to allow irrigation well, but not for domestic use. Commission of Public Works would like to arrange a meeting to come to an agreement with the City of New Ellenton on ways to better serve the citizens of the city together.

*Monique Taylor-spoke about children on Daryl Smith's football team having different jerseys and pants. She has been to several practices that have been cancelled and no one has notified parents before scheduled practice. She knows volunteers that would be willing to coach softball. *Councilman Terence Williams apologized and said that he will do his best to remedy the situation and looks forward to correcting the issue now and for the future.
